## User Description

[Auto-sent] This report was generated and uploaded automatically after an error occurred.

## Latest Error

source: POST http://app.parsikonline.ir/api/user/login

dio: POST http://app.parsikonline.ir/api/user/login

status: ۵۰۰

message: This exception was thrown because the response has a status code of ۵۰۰ and RequestOptions.validateStatus was configured to throw for this status code.

The status code of ۵۰۰ has the following meaning: "Server error - the server failed to fulfil an apparently valid request"

Read more about status codes at <https://developer.mozilla.org/en-US/docs/Web/HTTP/Status>

In order to resolve this exception you typically have either to verify and fix your request code or you have to fix the server code.
